

Salvation by Faith

There are at least 160 verses in the New Testament that teach salvation is by faith, belief or trust in the Lord Jesus Christ. God only has to say something **one time** for it to be true. When He says something 160 times, it is probably because He wants us to really get “the point”!

In order to grow in your faith, you must also know what God has said in his word about where to put your faith. “So then, faith comes by hearing the message and the message is heard through the word of God” (Roman 10:17). Reading and learning these verses will help build your faith!
